

[注意事項 : Important Points]

◆春学期と秋学期に履修登録期間があり、今回は、春学期又は通年科目のみ、履修登録を行って下さい。

There is a registration period for the spring and fall semester. For this time, please register for courses only for spring semester or full year.

◆秋学期開講の科目は秋学期の履修申請期間に履修をしてください。他研究科科目や学部科目についても同様です。集中講義は臨時・追加で決定した場合は例外を設けます。

Please register for courses for fall semester during the registration period of the fall semester. They are the same for other graduate schools and undergraduate courses. There is an exception only when intensive lectures are offered decided additionally.

◆入学年度により履修方法、修了要件等が異なりますので、各自、ハンドブックをよく読んで下さい。Course Registration and Completion Criteria requirement vary depending on the grade, so please read each handbook carefully.

◆他研究科の開講科目について(WEBで履修登録をした段階では、エラーメッセージが出ますが、単位を修得した後、専門科目に参入されます。)

Regarding Other Graduate School Subjects (An error message will be displayed when you register the course on the WEB, but when you complete the credit, you will be registered as a course Subjects.)

- ① 専門科目特殊研究への振替は、講義と特論等のみが対象で、演習は対象外です。他研究科開講の演習を履修した場合は、「その他」科目＝随意科目となり、修了要件には含まれません。

Only lectures and special lectures at other graduate schools can be transferred to Special Studies (advanced subjects). SEMINARS are NOT TRANSFERABLE. Seminars at other graduate schools are treated as “other” subjects (optional subjects), and thus credits acquired are not recognized as credits required for completion.

- ② 特殊研究は前期課程の場合8単位まで、後期課程の場合、4単位まで修了要件として認定されます。

MC: As for the Initial Two Year Course, up to 8 credits from Special Studies will be recognized as credits required for completion.

DC: As for the Initial Three Year Course, up to 4 credits from Special Studies will be recognized as credits required for completion.

注: 国際開発研究科「国際経済法」は、入学年度に関わらず、そのまま専門科目として認定します。

Note: However, the International Economic Law “International Economic Law” will be certified as a special subject regardless of the enrollment year.

- ③ 他研究科開講科目、国公私[名市大・名城大]科目が特殊研究となります。

Special Studies: Subjects at other graduate schools and National Public Private Subject [Nagoya City University・Meijo University] in the University.

- ④ 学部科目は、修了要件に含まれません。随意科目となります。

Undergraduate subjects are not recognized as credits required for completion, as they are optional subjects.

- ⑤ 他研究科・学部科目履修の際、部局によっては別途提出書類等必要な場合があります。各自確認して下さい。

In some cases, additional forms are required to take other graduate school subjects/undergraduate subjects, depending on the department in charge of the subject, so pay careful attention to bulletin boards and guidelines to complete all procedures.

◆今後臨時的に講義の開講が決定した科目の履修申請は掲示でお知らせします。

Registration for any newly opening courses will be announced on the bulletin board.
