Admissions Policies

--Policies for Selecting and Admitting Students--

(1) Admissions Policy

To cultivate individuals capable of serving as leaders in the field of economics who possess outstanding policy proposal skills and exceptional ethical standards, we seek students who have fundamental problem analysis abilities and necessary academic foundation.

(2) Selection Policy

To recruit outstanding talent from domestic and international sources, selection examinations will be conducted for students, working professionals, and international students in accordance with the admissions policy.

○ General Selection and Special Selection for International Students
Applicant selection is based on foreign language examination and interview. For the foreign language exam, English proficiency will be assessed based on submitted documentation. The interview assesses foundational academic skills, enthusiasm for research, and related aptitudes.

Emergency contact information

In the event that the examination schedule, selection process, etc. changes due to a disaster, an epidemic of infectious diseases, or other unavoidable circumstances, we will provide updated information on the following website; please be sure to check it prior to application or examination.

● Regarding the clarification of the scope of control for “deemed exports” under the Foreign Exchange and Foreign Trade Act (“FEFTA”)

As a general rule, the following is unnecessary if the research involves only the humanities and social sciences.

As an exception, if you are involved in a fusion area with a science field, please follow the procedures below.

In November 2021, in accordance with the clarification of the scope of control for “deemed exports” under the Foreign Exchange and Foreign Trade Act (“FEFTA”), some provision of sensitive technology to faculty members and students by universities and research institutions has become subject to control under the FEFTA.

Consistently with this change, when applying to study at the University, students will be required to submit a “Declaration of applicable specific categories” based on the “Flowchart for determining applicable specific categories”. In addition, submitting a “Letter of confirmation” may be required at the time of acceptance.

“Declaration of applicable specific categories” & “Flowchart for determining applicable specific categories”

You may submit the form at your own discretion. If you have any questions, please contact below.

Nagoya University, Academic Research & Industry - Academia - Government collaboration, Export Control Division

E-mail : anzen@aip.nagoya-u.ac.jp TEL : +81-(0)52-747-6702

If you cannot submit the "Declaration of applicable specific categories" in time for the application deadline, please submit it as soon as it is ready.

All other documents required for application must be submitted on the application deadline.
